WEST RAILROAD AVE./ WYOMING MILL RD. ROAD CLOSING

Between June and August, 2013, you can expect to see the road closed on West Railroad Avenue at the Wyoming Mill Bridge for bridge repairs. The project is expected to last no more than 60 days and is planned to begin after schools close in June and be completed before schools open in August.

Del-DOT has designed a detour for those traveling from Wyoming to West Dover that takes you south on West Railroad Avenue to Westville Road, west on Westville Road to intersection of Hazletville Road, then east on Hazletville Road to West Dover. This will be a long detour so please plan your travel time accordingly. There is a map in Town Hall for view if interested.

PARK RESTROOMS

On Sunday, March 31st, the Park Restroom will open. The Wyoming United Methodist Church will be holding their sunrise service at the Wyoming Park on that date. We will also schedule to have the port-a-potty removed. You can expect the restrooms to be open everyday throughout the spring, summer, and fall. If you find an issue with the restrooms please notify Town Hall as soon as possible.

CODE ENFORCEMENT/YARD CLEAN UP

Spring is right around the corner and it's time to start cleaning up your yards from the winter storms. Our Code Enforcement Officer has already begun his rounds and has been reporting back to Town Hall the properties that need to be brought up to code. The Town of Wyoming does have yard waste pick-up through our trash contract. Please check the Calendar of Events for the dates. If you do not have a yard waste bin you may place it loosely in a clean plastic trash bin. **DO NOT** put your yard waste in plastic trash or yard bags. You may purchase biodegradable paper bags from Lowe's or Home Depot. If you would like more information on Yard Waste Pick-Up or Code Enforcement questions please feel free to contact Town Hall.

PEACH FESTIVAL MARCHING BAND

A Peach Festival Marching Band is being assembled for this year's annual Town of Wyoming Peach Festival Parade. This band is open to all ages and will be a fun collection of local musicians from the community. Please contact peachfestivalband@yahoo.com for more information on how to join the band.

FROM THE DESK OF CHIEF WILLEY

The Wyoming Police Department would like to wish everyone a Happy Easter. It has been fairly quiet in town. The Wyoming Police Department does have a concern dealing with the railroad tracks. We have handled four accidents in the last year involving trains and vehicles. Just as a reminder, remember at the railroad crossing when the lights come on the gates start to come down and the bell sounds you cannot cross the tracks until the lights go off and the gate raises. You can be given a traffic ticket for violating the railroad crossings. There are also signs posted on the west side of the tracks that state that you cannot park within four feet of the tracks. The four feet starts from the end of the railroad ties and extends out from there. You can also be cited if you are within the four feet. Four accidents in a year involving the train is too many. The Wyoming Police is looking at ways to reduce the incidents (accidents) at the railroad crossings. I would like to leave you with this quote. "One ought to look a good deal at oneself before thinking of condemning others." - Moliere
